ELECTRONIC FUNDS TRANSFER (EFT) SELF STUDY GUIDE AVAILABLE ON THE MAIN WEB SITE

Expanded EFT functionality was implemented in MAIN on December 11, 2000. To assist users, a self study document was developed to provide information and guidance regarding ADPICS and R*STARS screen changes related to the EFT Project and the new EFT capabilities. This self study may be accessed on MAIN's Web site at: http://mainweb.state.mi.us. On the sidebar (left side of the screen), click on "Downloads". From the list of available downloads, click on "Self Study Guides". Scroll down to the course titled "EFT Self Study" and click on the link "EFTSSTUDY". This document may be printed for reference material, if desired. Contact the MAIN Help Desk at (517) 373-6222 or (800) 856-6246 for assistance, if required. Agency Implementation Coordinators (AIC) can also provide additional information.
With EFT implementation, a new Web site was developed. This site, for vendors and payees, is accessed from the home page of the Office of the State Budget at http://www.state.mi.us/dmb/budget by clicking on the "Contract & Payment Express" icon.
